**What is the mission of your organization?** A **township trustee** is an elected official in the local government of the [U.S. state](#) of [Indiana](#). A township trustee administers a [township](#), which in Indiana is the primary political subdivision of a [county](#), and in common with most other state officials serves a term of four years.

- **Township Board:** The trustee is assisted by a three-member Township Board whose members are also elected to four year terms. In January of each year, the trustee presents to the board an annual report showing the receipts, expenditures, investments and debts of the township.
