Re: Brown County Regional Sewer District
Preliminary Engineering Report for New Sewer System in the Beanblossom Creek Watershed,
Brown County, Indiana

Dear Mr. Roberts,

Enclosed are three (3) copies of the Preliminary Engineering Report for the above referenced project as well as the SRF Application and Asset Management Plan Certification. The sewer district is planning to have our public hearing within the next 2 months. This public meeting information will be submitted to you once we have the meeting.

The sewer district is excited to work with your program on this much needed project to improve the quality of life in our county. Please let us know if you need additional information.

Respectfully submitted,

BROWN COUNTY REGIONAL SEWER DISTRICT

Mike Leggins
Board President
